

South County District Request for Reschedule

For District scheduling conflicts, this request should be submitted to the District Sport Chair, with the roster, so that the District scheduler can accommodate this request. However, as stated in the Archdiocesan CYC Constitution and the South County District Policy, all league games will be scheduled to play. It is the manager's responsibility to request that a game be rescheduled, only if there are players on the roster directly involved in the event. Managers must request a reschedule for an event that they feel is in conflict with a scheduled league game. Games approved for reschedule based upon this policy must be **preplayed** prior to the originally scheduled date. Events that could be considered are:

- 1) District and/or Archdiocesan wide Boy or Girl Scout Activities
- 2) Parish Homecomings, picnics, festivals, etc. and/or a Pastor's written request
- 3) Grade school graduation and related activities
- 4) Confirmation and related activities
- 5) First Communion and related activities
- 6) Religious retreats for grade schools
- 7) Bellarmine Speech meets
- 8) High School visitation day for 6th, 7th & 8th graders

Parish: _____ Division: _____ Gender: _____

1) There are no conflicts for this team _____ (check X)

2) I request a reschedule for the following event(s):

DATE	EVENT	PLAYER(S)	APPROVED	DENIED
